Penitentiary. Win. Warner alias Theodore Thomas, alias for Win, Briers, who has figured in a large number of cases before the police court as a vocacion doctor, and is new confine I in all serving three terms of six ments each for larceny, came before Justice Montgomery in the criminal court yesterday on the charge of larceny, cause beinte Justice Montgomery in the criminal court yeaterday on the charge of larceny from the person in smatching \$6 from Amy Frait in bothler of last year. Assistant District attorne Lipscomb appeared for the government and 1 McD. Carrington for the defendant. Amy Frait, an agod colored woman, testined that she had known defendant for about three years and met him several times. On the day in question the prisoner came to due house and spent some time in conversation. Furting the visit she took ner packet-book trem her bosom to get some pointies to send for cell for the lamp, and the doctor smatched \$1 from her hand and left the human. Her hand, and alter when the the station horse and gave taforteation against him. Her sestimony was corrobotated in the main by her historiad who was present at the time, her son and others.

The defendant admitted receiving the money at the time specified, but claimed that it was for services rendered in the voodoo line. He said that Mrs. Prait believed one of her neighbors was practicing tricks on her and she wanted her removed, also that her his-batid was mining after other wanted her her neighbors as part of the husband's partitions and fraits and dentied all the defendant's alternation, and repeated mystic words. Amy Frait was called to the stard in reliable, and dentied all the defendant's alternation. The jury brought in a certific of guilty.

THE ROCK CHEEK PARK.

The Commissioners Think it Will Add Beauty to the City, commissioner Webb has address an Hemphill the following letter.

tonumbasioner Webb has addressed Chairman Hemphili the following letter.

The commissioners have the honor to respend to your rebessure to them, through the ciers of your committee, of H. B. bill 23-2, "To withoute the commissioners of the District of Columbia to condemn band on Rock Greak for the purposes of a park," Act, as follows. In the information of the commissioners it is hardly possible to formulate another project that would be in every respect so advantageous ani advisable as the one under consideration. The valley of Rock Greak, while easily worthless for accupation or settlement, is extremely puttiresque and possessed of numerous and varied natural advantage, and its conversion to public uses will secure to the aprilal a park and drives over seven inlies in length and of unrived beauty.

These the provisions of the bills a drawn in park 1,00 feet in width from yours Willom Rock Greek with the highest in this tract is 91s acres, said its valuation upon the assessor's books, with the improvementancem, is \$100,000. No uniform width need a winder to the remaining of land embraced in this tract is 91s acres, and its valuation upon the assessor's books, with the improvementation of the course the remain appear and provide for the construction of suitable drives. Where the elevations is under the would be required as would be required as would be required to the course from the banks of the stream a greater width would be required would be necessary white on the other hand the assessments for condemnation might in some cases considerably exceed the valuations as derived from the books of the United assessor.

The bill appears to meet the requirements of the same and the commissioners have no

valuations as derived from the books of the listicit assessor.

The bill appears to meet the requirements of the case, and the commissioners have no amendments thereto to suggest.

Expressions of gratitude on the part of the public are always impressive and solemin. It is pleasant to know that the people are justly praising the merits of Dr. Bull's Cough Syrin, a safe remedy for coughs, colds, bronchitis, croup and sore throat.

A PEAIN STATEMENT. WE HAD A FIRE IN OUR STORE. Not a garment was burned, not more than a dozen wet, but

our ready-made goods on the first and second floors WERE SMOKED. Not enough to show, but loav-ing strong enough odor of sm ke TO KEEP OUT MOTHS

We now offer every garment on these floors at

ONE-HALF REGULAR PRICES FOR NET CASH TO ALL. The original tickets and prices are still on the garments. You simply divide them by two and find present prices.

We must get this stock out of the way in time for spring goods, and now is your time to buy.
